Thanks for your note Andrew. I am polling my clients as to their availability. Who would you expect to attend on behalf of EPA? Rich

Rich,

As we discussed, I am hoping to queue up a between ARC and EPA during the week of Dec. 15 to discuss our respective points of view regarding ARC's potential liability for OU-1 at the former Anaconda Copper Mine. I know that you may need to coordinate schedules with any new ARC counsel, and suggest that we should be able to schedule for a date and time that works for you all. I assume our meeting will be in San Francisco, and I can arrange for a conference room when we are scheduled. Please feel free to call if you have further questions.
